## Don't Forget—New Venue is Central Penn College Conference Center

### Friday, September 16 — Dr. Mark Blanchard *The Spangler Farm & the Civilian Experience in Gettysburg*

Join us as we resume live dinner meetings at a new venue, Central Penn College in Summerdale. HCWRT Vice-President Dr. Mark Blanchard will kick off our 64th campaign year with a deeply personal look at why we remember the suffering and sacrifices of the wounded soldiers and the civilians who had to confront the aftermath of the Battle of Gettysburg.

For the soldiers wounded in the struggle, the days following the three-day battle were a nightmare that appeared to end only in death. For the civilians in Adams County, the after-effects of the battle would continue for weeks, and months, and even years.

Dr. Blanchard will examine the experiences of the civilians and the wounded soldiers through the lens and framework of the George and Elizabeth Spangler farm which served as the Army of the Potomac's IX Corps hospital and a critical logistical point for General Meade and his army. Using this frame, we can see inside the experience of the civilian farmer as well as the soldiers and the surgeons attending. We will examine the question of why it matters that we study these experiences as we seek to better understand the Civil War and its importance in our history.

Dr. Blanchard is the Assistant Superintendent for Secondary Education for the Cumberland Valley School District. His deep interest in the Civil War was cultivated during his time serving as the principal of Gettysburg Area High School from 2008 to 2017. He is a regular volunteer with the Gettysburg Foundation and currently works as a docent at the George and Elizabeth Spangler Farm. He has been a member of the Harrisburg CWRT since 2020, joined the HCWRT Board of Directors in 2021, and became our Vice-President last June.

Doors open at 6:00 pm, dinner begins at 6:45 pm. Those who are unable to attend this engagement in person are invited to tune in to the lecture and Q&A session via Zoom. The link is in the box below.

## President's Pen

"You do not have to see the staircase, you just need to take the first step."  
—Martin Luther King, Jr.

We are taking our first step back into live meetings on Friday, September 16 at our new location, Central Penn College. This new venue allows us to have both in person and virtual meetings utilizing the college's state-of-the art audiovisual equipment and technical support. The location is strategic as well: it has ample parking, including six handicapped spaces, and no stairs. Carlisle, Hershey, and Mechanicsburg are only a short drive away.

Our meeting format will remain the same. We will have a buffet dinner (\$24.00, same as last year) followed by brief announcements and our featured guest speaker. Our newly-elected Vice-President, Dr. Mark Blanchard, has kindly agreed to kick off our 64<sup>th</sup> campaign with a riveting first-person account of his experiences as a docent at the Spangler farm in Gettysburg this summer. *Let's show our support for one of our own!*

Prior to dinner, we will have an array of items for sale, including Civil War magazines (collector's items), books, prints, and the ever-popular HCWRT paperweight that we give our speakers. These items have been generously donated to our Round Table for fundraising purposes.

All the work of so many of our members will only be successful if you make the effort to support us with your presence. I urge you to come out at 6:00 pm on Friday the 16<sup>th</sup> for an evening of good food, great company and an inspiring talk and discussion. If you can't make it for dinner, but want to come for the talk, chairs will be available in the back of the room as in the past (announcements begin at 7:45, please arrive by then). If you cannot be with us in person, or are feeling under the weather, please join us via Zoom not later than 7:30 pm.

Looking forward to a great turnout on the 16<sup>th</sup>!

John West

## *Fall Field Trip Update*

As this newsletter goes to press, there are only a few seats left for our fall field trip to Mosby's Confederacy, which will take place on Saturday, October 29, 2022. We will travel to the hunt country in and around Loudoun County, Virginia, where Colonel John S. Mosby used unconventional guerrilla tactics to torment and terrorize Union troops during the Civil War. For more information on the trip, download this flyer from our website: <https://harrisburgcwrt.org/events/mosbys-confederacy-fall-field-trip/>

To reserve a seat, contact our treasurer, Norm Daniels, at 717-712-7494 or [nld500@aol.com](mailto:nld500@aol.com) and ask him to save one for you. If there are still seats available and you cannot download the flyer, he will send you a flyer with a registration form to fill out and send back to him. Include a check made out to "HCWRT" for the \$25.00 deposit and send it to Norm at 500 Bonnymead Ave., Harrisburg, PA 17111. If all seats have been filled when you call, Norm will put your name on a waiting list, and, as registrants drop out for one reason or another, he will replace them with names from the waiting list in the order they signed up. On past trips, we have been able to accommodate those on our waiting lists.

If you have already signed up for the trip and only paid a \$25.00 deposit to hold your seat, send a check for the remaining \$70.00 balance to Norm before the end of September.

As was the case with our fall field trips in 2021, and our spring field trip in 2022, all participants will be required to provide proof of full vaccination against COVID-19 before boarding the bus.

## *Spring Field Trip to Chancellorsville*
